MEMORANDUM FOR

STAT

SUBJECT: IC Staff Job Descriptions and Qualifications

As we are beginning to make some headway in facilitating the detailing of DOD personnel to the ICS it becomes apparent that we will need job descriptions and qualifications to be made explicit for the several positions we have to fill.

I am requesting therefore that by close of business on May 15 you provide me such qualifications and descriptions for the positions which you have yet to fill for your group. Please specify in addition to whatever else you believe pertinent (1) civilian or military (2) pay grade and (3) formal education.

While I have focussed this especially on DOD you might wish at the same time to specify your needs from other intelligence entities.
